**Present:** Dean Olson & Karen Olson (co-clerks), Amy Cooke, Chamba Cooke, Judy Hamilton, Dorothy Henderson, Doug Hamm, Don McCormick, Dianne Marshall, Hailey Wilson, fosten wilson, Kathy McCreery, Gordon Starr, Mary Starr, Crystal Scanlon, Pat Phillips.

The Meeting opened with silent worship.

### Clerks' Remarks and Query

*How do we assist each other to do business in a compassionate way?*

Responses included:

- If we fill our hearts with love and worship and kindness before the business meeting starts we will go in with compassion
- A Friend shared that he monitors if he is getting irritable or grumpy - those are obstacles to compassion

- To keep in mind that we are in search of a larger truth, and not just the small piece of it that we are holding
- Rather than come with preconceived ideas or thoughts, we open ourselves to what arises in our gathering - that is hard if you feel perfectionistic
- Come to the meeting with curiosity
- Being attentive and respectful of others to really listen to what others share
- It helps to remember that we are all doing the best we can
- Coming in as a separate “atom” and being swept up into the whole
- Knowing to know better than to react with the first thoughts or reactions that come
- Compassion = calm+passion. At the core, we are seeking not just truth or love, but truth and love together so that we reach a better way of being.

**Action Items and Seasoning:**

- Representative for SFC: delegated to the Stewardship Committee for further discernment. (see report)
- Spirit & Witness to advise on vaccination & mask requirements (see report)
- Correct & approve the Draft Minutes & Record from 3-13-2022

**MINUTE 04.2022.01:** Grass Valley Friends Meeting approves the minutes from Third Month 2022, as published in the newsletter.

**COMMITTEE REPORTS** (see reports appended, committee clerk is noted in bold)

**NOMINATING:** Doug Hamm, Patricia Phillips, Karen Olson, Don McCormick and Pat Phillips

Doug Hamm gave the report and presented the slate for 2022-23, appended. The slate was read for the first reading and will now season until Fifth Month.

It was noted that a new Recording Clerk may be needed in the future. If you have a sense of being led to that role, please let the Nominating Committee know.

**STEWARDSHIP:** **Mary Starr**, Gordon Starr, Reed Hamilton, Pat Phillips, Doug Hamm, Fosten Wilson (Treasurer, Ex-officio) Dianne Marshall (ex officio as Librarian and Newsletter Editor), Hailey Wilson, Reed Hamilton

Gordon Starr gave the report, appended. It was noted that if we decide on posters we will have to check with Sierra Friends Center. A Friend requested any discarded posters.

**SPIRIT & WITNESS:** Gordon Starr, Judy Hamilton, Gordon Bishop, Dorothy Henderson, Anita and Don McCormick (ex-officio Co Clerks), **Judy Hamilton**

Judy Hamilton gave the report, appended.

We have received a letter of transfer for Cheryl Hendrickson and David Cowen and daughter Olivia, from San Francisco Friends Meeting to Grass Valley Friends Meeting. The letter was read aloud in the Meeting.

The committee has also received a letter requesting membership from Crystal Scanlon.

Mask and vaccine requirements for in-person meeting: The committee has received approximately six comments on this issue. Many people are comfortable with no masks, and some may keep wearing them even if the mask mandate was lifted. The vaccination issue has received one response, and in person comments were also heard. There are those who really want the social time of coffee hour and potluck, and some who are not quite ready for that step. It was suggested that we keep reevaluating based on current medical knowledge. We

may want to keep this as a regular reporting item so that the meeting can be kept abreast of the changing landscape of the pandemic. It was noted that there are options for variable strategies to meet individual needs and preferences with the hybrid meeting. At this point we are not aware of anyone who is asking for all people in the meeting wearing masks. We are also not aware at this time of anyone who has objected to having a coffee hour or a potluck. One Friend also spoke to the need for participants in the in-person meeting to stay home if they feel unwell, and take advantage of the Zoom option instead.

This issue will come back in the Fifth Month meeting, and will be highlighted in the newsletter. Please email Judy Hamilton with any further comments.

The Spring Clerks Meeting will be held on April 11th 1 pm on Zoom.

**WELCOME:** Karen Olson, **Kathy McCreery**, ex officio Website/Facebook Coordinator (Amy Cooke), ex officio Zoom coordinator (Hailey Wilson and Stuart Smith), ex officio Email Coordinator (Judy Hamilton), Don McCormick, Pat Phillips.

The report was presented by Fosten Wilson, appended. The committee had a meeting on March 23rd. They revised the GVFM ad for The Union which was submitted last Tuesday.

The committee discussed greeter duties, welcome bags etc. They are adding SFC waivers to greeting duties. Don would like copies of Western Friends or Friends Journal to add to the welcome bags. Our current Covid protocols will be added to the bags also. They discussed asking SFC about leaving Quaker Literature around Campus and inviting visitors to come worship with us on Sundays.

After meeting, fellowship is a little bit difficult with the hybrid setting. The committee suggests that we try socializing separately. This was done at the last couple of meetings and it appeared to work.

It was noted that the chairs need to be not so close to the computer so people on Zoom can see all.

The committee reported on the Friends World Committee for Consultation, appended.

**CHILDREN'S PROGRAM:** Karen Olson, Judy Hamilton, **Dorothy Henderson**, Gordon Bishop, Anita McCormick, Doug Hamm, Don McCormick

Dorothy Henderson gave the report, appended.

## **OFFICER REPORTS**

### **TREASURER**

Fosten Wilson gave the report, appended. The Quarterly spreadsheets are posted in the meetinghouse and can also be viewed by contacting Fosten. Fosten took clarifying questions.

### **SFC REPRESENTATIVE:**

Pat Phillips was present as our representative for Sierra Friends Center. The Center will be hosting 57 students and 7 staff members from the San Francisco Friends School for April 11-15. They have been able to cover their needs for being able to evacuate in the case of an emergency..

## **ADVISES AND QUERIES – FOURTH MONTH: THE MEETING COMMUNITY**

Meetings for Worship and Business are the center of our spiritual community. There, as we come to know each other in the Spirit, we build the “beloved community.”

Mutual respect and care in the Meeting form the foundation from which we can test, support, and exercise leadings of the Spirit. At its best, the Meeting community provides a framework for us to learn and practice mutual care, which strengthens us as we act in the world.

All members of the Meeting community should share in the care of one another. While respecting privacy, we must be aware of and sensitive to each other’s needs. We must also be willing to ask for assistance when we are in need.

Do I strive to be inclusive in my relationships within the Meeting?

Do I care for the reputation of others, refraining from gossip or disparaging remarks?

Am I committed to the difficult work of forgiveness, and affirming God’s love for the whole community?

*How are love and unity maintained among us?*

*Do we practice the art of listening, even beyond words?*

*How have we been sensitive to the personal needs and difficulties of members and attenders, young and old?*

*Do we visit one another in our homes and keep in touch with distant members?*

### **Pendle Hill Friendship** by Mihai Banulescu

**When I’m quaking and crying, I know my own heart  
And these tears purify me, they open the door  
I just love to recall that I’m never apart,  
That I *am* just a part of the deepest rapport.**

**I’m still buzzing with Buddha and crying with Christ,  
(Many faiths are all welcome when Quakers amass)  
Into mystic surrender my heart is enticed  
When there’s no paranoia and no second class.**

**“RBG passed away, and yet Ruthless we’re not.”  
These words broke me open—the beauty they held,  
The transmission of friendship, the hope beyond  
thought,  
I was instantly grounded, forever upheld.**

**What a way to wake up and warm up to the day!  
Ninety-five kindred souls sharing silence on Zoom.  
May this vulnerable bliss keep me humble all day,  
Through the worship and work, through the glee  
and the gloom.**

## **PLASTER ETCHING by Peter O'Rourke**

Peter O'Rourke, an attender of Grass Valley Friends Meeting, will be sharing his artwork with us on May 1, at the rise of meeting, from 11:30 until 12:30 or so. The presentation will be hybrid, on zoom and in the Grass Valley Friends Meeting House at Sierra Friends Center. All are invited!

Peter grew up in Philadelphia and attended William Penn Charter high school, which has had a lasting effect on his life. There he studied art under Chuck Olson whom he credits with helping him understand how to convert raw materials into the visual arts. He attended Franklin and Marshall College in Lancaster PA and studied under Linda Cunningham, a prolific artist who taught him many facets of design.

Peter is married to Hang Nguyen, a telemetry nurse, and has a daughter, Aubrie O'Rourke, a NASA scientist in Florida. He enjoys swimming, gardening, golf, and any type of music. And he looks forward to sharing his artwork with everyone.

## **Need for a Recording Clerk Under Study**

With a pragmatic eye to the future, Recording Clerk, Amy Cooke is asking for someone to step forward to learn the role of Recording Clerk. She plans to continue in this position for now but wants to know that our Meeting will not be without when her commitments in France make it impossible for her to be Recording Clerk for Grass Valley Friends Meeting. To learn more about what is involved, [The Task of the Recording Clerk: Spiritual Exercise and Ministry](#). If you are interested in training for this position, please email [grassvalleyfriends@gmail.com](mailto:grassvalleyfriends@gmail.com).

**The 2022 Grass Valley Friends Meeting Directory is now available.  
Send a message to [grassvalleyfriends@gmail.com](mailto:grassvalleyfriends@gmail.com) to request one  
if you have not received yours.**

**Friends World Committee for Consultation**  
World Office

<https://fwcc.world/>

The purpose of Friends World Committee for Consultation (FWCC) is to encourage fellowship and understanding among all the branches of Quakerism.

They bring all Quakers together in multiple ways to celebrate God, build networks, address issues of our time, and unite Friends within our diversity.

The FWCC is divided into four sections. They are the Africa Section, Asia West-Pacific Section, Europe and Middle East Section, and The Section of the Americas.

FWCC was started in 1937. The second World Conference of Friends created FWCC to act in a consultative capacity to promote better understanding among Friends the world over. Conferences are held every six to eight years in different parts of the world. The next one is in South Africa in 2023.

### **Khalil Gibran on Fear**

**It is said that before entering the sea  
a river trembles with fear.**

**She looks back at the path she has traveled,  
from the peaks of the mountains,  
the long winding road crossing forests and villages.**

**And in front of her,  
she sees an ocean so vast,  
that to enter  
there seems nothing more than to disappear  
forever.**

**But there is no other way.  
The river can not go back.**

**Nobody can go back.  
To go back is impossible in existence.**

**The river needs to take the risk of entering the  
ocean**

**because only then will fear disappear,  
because that's where the river will know  
it's not about disappearing into the ocean,  
but of becoming the ocean.**

## Friendship by Mihai Banulescu

*Thank you for your friendship.  
Thank you for your friendship.  
Thank you for your friendship.*

Why am I crying?

Why and how did this line,  
Emailed by a Friend  
Meaning Quaker  
To a centering prayer group  
Reach my heart and twist it so?

Is it the *Thanking*?  
Infinity asks, what if our only choice,  
The totality of our free will,  
Is whether to say "Thank You!" or not?

Is it the pronoun *You*,  
Meaning Buber's Thou?  
The tip of John's arrow  
Pointed straight to my heart  
Darling, *you* need love, the bad way.

Let's be real, it's probably not *For*,  
The preposition of *tit-for-tat*,  
Transactional relationships  
And earned, conditional love.

*Your* is an interesting one  
Similar to *You* but not identical,  
The return ticket that completes  
A round-trip to Spirit and back.

My heart sighs  
Before I even say the word *Friendship*.  
Anam Cara, the sacred word.  
The bond between God's children  
Dissolving barbed-wire borders,  
Bringing color to black-and-white lives,  
Talking us down off the ledge...

May we get there in time.
